

25 November - 10 December

PROJECT TITLE: 16 DAYS OF ACTIVISM ON VIOLENCE ON WOMEN AND CHILDREN AND PEOPLE LIVING WITH HIV

PRESENTED BY: UNISA Corporate Social Investment (Community Development) in partnership with the Unit for Social Behaviour Studies in HIV/AIDS and Health (USBAH), Institute for Gender Studies and Learner Support

PURPOSE AND OBJECTIVES OF PROJECT:

The purpose of the project is to enhance awareness as well as to mobilise UNISA staff, students and stakeholders to participate in the abovementioned national advocacy campaign across South Africa.

Objectives:

- a) Enhance the awareness of UNISA staff, stakeholders and students to participate in the campaign at a local and regional level.
- b) Conduct capacity development sessions and seminars to UNISA staff, students and stakeholders to respond to violence against women and children and people living with HIV.
- c) Launch the UNISA advocacy campaign at national and regional levels.
- d) Mobilise UNISA staff, students and stakeholders to participate in the national and regional advocacy campaign activities.
- e) Mainstream the advocacy campaign into the existing UNISA Gender Mainstreaming Project.

This Project is supported by the Office of the Principal.

Unisa staff, students and anybody from the outside community may attend.
