TUTORING JOBS IN SOUTH AFRICA

Gutsy Tutoring is a private tutoring company that operates in Cape Town, Johannesburg, Pretoria and Durban. Our tutors travel to their clients and will need their own transport. The Gutsy Tutoring team allocate jobs to tutors in their specific area so they will not have to travel far. The majority of Gutsy Tutors are either studying towards, or have already completed, a degree. Tutors are paid between R110 and R180 per hour depending on whether they work with a Primary School, High School or University Level learner.

We are constantly on the lookout for tutors as new jobs are posted daily in the above mentioned areas. We cover all subjects within school and university levels. We also cover music and language tutoring. If you would like to work part time and earn extra income in a subject that you excelled in at school or currently studying at university, apply to become a tutor at Gutsy Tutoring or visit www.gutsytutoring.co.za to fill in the application form in your specific area.
