General Information

Grade Examinations and Performance Level Assessments (PLAs) in

- General Percussion

- Vibraphone

- Orchestral Percussion

1 Prescribed Repertoire

1.1 The prescribed repertoire lists for each instrument appear from page 10 in this publication.

1.2 Candidates must perform a balanced programme, which should be diverse in character and tempo.

1.3 Prescribed music should be purchased from the publishers, sheet music dealers or the internet. Only original printed music may be used in the examination room. Copies of all these works must be submitted to the examiner at the examination and will be destroyed afterwards.

1.4 The use of music that is in public domain and downloadable from the internet is permitted provided that no copyright restrictions are being violated. The source of this piece must be indicated on the sheet music.

1.5 Copies of all works, containing solo parts as well as the piano accompaniment, must be submitted to the examiner at the examination and will be destroyed afterwards.

1.6 Candidates must take cognisance of the fact that photocopying of music, without written permission from the publishers, is strictly prohibited by the Copyright Act (Act 98 of 1978, as amended). Examiners may refuse to conduct the examination if the original works are not present in the examination room. In such cases the examination will be downgraded to an Evaluation.

1.7 Examiners may listen to either an entire work or only part of it. Repeats [II: :II] need not be played unless requested by the examiner, indicated as compulsory in the sheet music or if the section is repeated in ornamented form. Da Capo sections should, however, be performed unless the examiner requests the candidate not to do so.

1.8 Candidates may use any edition of the prescribed repertoire.

1.9 It is not essential to follow performance indications such as articulation, dynamics, phrasing, pedalling, metronome indications, etc. appearing in a specific edition unless they have obviously been inserted by the composer and not by the editor. When candidates use an edition with different editing they should bring this to the examiner’s attention.

1.10 Ornamentation may be omitted in Grade 1 and Grade 2.
1.11 Cadenzas in concertos are not obligatory up until Grade 6. Where indicated in the score, short (truncated) cadenzas are expected in Grade 7. Appropriate cadenzas are obligatory where indicated in concertos from Grade 8 onwards.

2 Alternative and Own Choice Works

2.1 Candidates may request permission from the Directorate Music to present one alternative work.

2.2 Own choice works are applicable to the Performance Level Assessments only.

2.3 Applications to present an alternative or own choice work must:
   - be made on the official application form obtainable from the internet or Directorate Music;
   - include a copy of the alternative work concerned which copy will not be returned;
   - reach the Deputy Director (Professional), Directorate Music not later than the closing date for entries (preferably with the entry form).

2.4 Alternative and own choice works should match the length, level of virtuosity, musical standard and style period of the work to be replaced.

2.5 The University of South Africa reserves the right to refuse permission for works which do not meet any or all of the criteria.

2.6 Requests to present an alternative or own choice work received after the closing date for entries, will only be considered in highly exceptional cases.

3 Specific Requirements

3.1 Accompanists: All pieces requiring accompaniment must be accompanied, and candidates must provide competent accompanists for their recital. Poor ensemble may result in the penalisation of the candidate. Accompanists may be present in the examination room only while actually accompanying.

3.2 Page turners: No page turners are allowed in the examination venue for up to and including Grade 7 examinations. Grade 8 candidates and their accompanists may make use of a page turner, but this person may not be the candidate’s teacher. Examiners may not be asked to turn the pages.

3.3 Tuning of the instrument: Up to and including Grade 4 examinations, a teacher or accompanist may assist a candidate in tuning his/her instrument. From Grade 5 onwards, the candidate must tune the instrument unassisted.

3.4 Music stands: Candidates must supply their own music stands in the examination room.
4 **Technical work**

4.1 All technical work/exercises must be played:
- from memory
- ascending and descending according to the specified range.

4.2 Scales and arpeggios must begin on the lowest possible tonic (unless otherwise specified in the syllabus) and end on the same note.

4.3 The compass of the prescribed scales is indicated with Roman numerals which are to be interpreted as follows:
   I one octave
   II two octaves.

5 **Sight-reading**

Candidates must play one sight-reading test. Sufficient time will be allowed to study the piece without playing it. In preparation to play the sight-reading test, candidates will be permitted to silently finger the notes without making a sound.

6 **Practical Musicianship**

6.1 The requirements for each grade appear in a separate publication, available from the Directorate Music, free of charge.

6.1 The practical musicianship requirements per grade are the same for all instruments.

6.2 The examiner will play all practical musicianship tests on a piano.

6.3 The candidate must play the visualisation test on the examination instrument.

7 **Theory of Music Requirements**

7.1 There are no theoretical requirements for Performance Level Assessments (PLAs).

7.2 The Theory of Music examinations required for the various practical grade examinations are as follows:

<table>
<thead>
<tr>
<th>Practical examination</th>

<tr>

<tr>

</tr>
</tbody>
</table>
7.3 If a Theory of Music examination is a requirement for a practical examination, and the candidate has not passed the required Theory of Music examination before the practical examination is played, the candidate must enter and pass the required Theory of Music examination by the third (October) session of 2019.

7.3.1 A candidate who passes a practical examination before the required Theory of Music examination will only receive the certificate once the relevant Theory of Music examination has been passed.

7.3.2 If a candidate passed the required Theory of Music examination at the same or an earlier examination session, the practical certificate will be issued without delay.

7.3.3 If a candidate only meets the Theory of Music requirement by the end of 2019, the Directorate Music must be contacted and requested to issue the practical certificate.

7.3.4 If a candidate does not meet the Theory of Music requirement by the end of 2019, the candidate must re-enter for the practical examination and play again.

7.4 Grade 8 practical candidates who do not yet meet the Theory of Music requirement must register for the practical and theory components in the same calendar year. (Theory of Music may be written earlier.) The Grade 5 Theory of Music paper must have been passed by the end of 2019.

7.5 Theory of Music Grades 6 and 7 examinations consist of two papers each. Candidates may enter for one or both papers (in any order) at any time and will retain credit for individual papers passed.

7.6 Candidates entering for the Grade 7 and 8 Theory of Music will have to pass both the examination papers in order for the Theory of Music qualification to be awarded. Grade 7 and 8 Theory of Music examinations are presented in the third (October) session of each year only.

7.7 Please do not contact Unisa to enquire about certificates if the candidate has not yet passed the required Theory of Music examination.

8 Exemptions

8.1 Grade 5 Theory of Music is the COMPULSORY Theory of Music examination for students entering for the Grade 8 Practical examination.

8.2 International music qualifications

Students in possession of international qualifications may apply for exemption from Grade 5 Theory of Music. These exemptions will be evaluated by the professional staff of the Directorate Music.

8.3 Application procedure

Please use the official Request for Exemption form (FORM B), obtainable from the internet or the Directorate Music. A certified copy of the candidate's academic record on an official letterhead of the Conservatoire/School/University where the student is studying must accompany the application.

10.1 Age Restrictions

10.1.1 Candidates qualifying for the Unisa South African Music Scholarship Competition for Grade 8 should not be older than 21 years (Instrumentalists) or 23 years (Singers) on 31 October of the competition year and must have passed the required Grade 5 Theory of Music examination by the June session of that particular year. Candidates who only write the required Theory of Music Grade 5 examination in the October session of the relevant year,
will not be eligible for participation as the results will not yet be available at the time of the competition.

10.2 **Requirements for participation**
The following requirements must be fulfilled in order to qualify for participation in the scholarship competitions:

10.2.1 **Mark allocation**
Grade 8
- achieve at least 85% in the examination as a whole
- achieve an average of at least 85% for the prescribed pieces.

10.2.2 **Memorisation**
Memorisation is not a requirement for participation in the South African Competitions.

10.2.3 **No deferred participation**
Candidates must participate in the scholarship competitions in the same year that they play the examination and qualify. Participation will not be deferred to the following year.

1.1.5 A certificate will be issued upon successful completion of an exam and theory requirement.

1.2 Technical Work
As prescribed.

1.3 Performance
Candidates must play three pieces, one selected from each of the prescribed lists. Playing from memory is not compulsory.

1.4 Sight-reading
Candidates will be required to play a piece at sight.

1.5 Practical Musicianship
As prescribed in the Practical Musicianship syllabus.

2 Performance Level Assessments

2.1 General
2.1.1 Candidates will be allowed to enter at any level for a Performance Level Assessment.
2.1.2 Candidates will be allowed to change from a Performance Level Assessment to an Evaluation.
2.1.3 No Theory of Music requirements need to be met.
2.1.4 At least three contrasting styles must be included in the performance.
2.1.5 One own choice work may be presented (see page 2 paragraph 2).
2.1.6 A single overall symbol with commentary will be given. No individual marks will be allocated.
2.1.7 A statement and not a certificate will be issued upon successful completion of a particular level.

2.3.1 Level 1 to Level 8
The prescribed pieces from the existing graded examinations will apply. Candidates must play three pieces, one selected from each of the prescribed lists A and B and one work of own choice. The latter may also be chosen from the prescribed list C.
2.3.2 Performer's Assessment

2.3.2.1 The Performer's Assessment is the highest assessment level and the only option that follows the Level 8 Performance Level Assessment. Candidates must perform a balanced programme of four works, one selected from each of the prescribed lists A to D. The List D work may also be an own choice, ensemble or chamber work. Permission to perform this work must be obtained from the Directorate Music (see page 2 paragraph 2).

2.3.2.2 All assessments will be conducted by one examiner at any of the existing practical examination centres.

2.4 Sight-reading
No sight-reading is required.

2.5 Practical Musicianship
No practical musicianship is required.

3 Evaluations

3.1 The purpose of an Evaluation is to encourage inadequately prepared candidates to play, rather than withdraw from a grade examination or Performance Level Assessment.

3.2 Candidates may change from a grade examination or Performance Level Assessment to an Evaluation. This may be done up to the day of the examination, but excess fees will not be refunded. Please note that candidates cannot enter for an Evaluation specifically.

3.3 Any combination of work may be presented for an Evaluation and may include any of the three pieces, sight-reading, technical work or practical musicianship.

3.4 No marks or symbols are awarded, only commentary.

3.5 No certificate or special report is issued. The examiner report serves as confirmation of the Evaluation.

3.6 One teacher or parent may be present at the Evaluation.

3.7 Please note that although candidates will be permitted to change to an Evaluation even on the day of the examination, excess fees will not be refunded.

4 Specialisation

4.1 Specialised Syllabuses have been set for
- Marimba (Grades 6, 7 and 8)
- Vibraphone (Grades 6, 7 and 8)
- Timpani (Grades 7 and 8)
- Orchestral Percussion (Grades 7 and 8)

Since these are fields of specialisation, the syllabuses only include higher grades.
4.2 Technical Requirements (scales) for the Marimba and Vibraphone are the same as for the corresponding General Percussion Grade.

4.3 Timpani candidates need to play the rudiments (snare drum) of the corresponding General Percussion Grade.

4.4 Orchestral Percussion: All technical work is the same as for corresponding General Percussion Grade (i.e. both rudiments and scales)

5 Allocation of marks

Marks or symbols allocated by the examiners are final. No correspondence will be entered into regarding the outcome of an assessment or examination.
