

Questions and Answers:

Provision of Engineering Procurement and Construction (EPC) Turn-Key Services for the Implementation of the Smart Campus - Rustenburg Campus Tender (PT2026/01)

1. Request for extension of tender closing date

Answer: the closing date has been extended to the 24 April 2026

2. We unfortunately missed the compulsory briefing last week Monday, 9 March. Is there still an opportunity for our company to register for this tender? Are we able to attend one of the site inspections?

Answer: The information session was compulsory, therefore if you did not attend the session your bid will not be considered.

3. We confirm that we attended the compulsory briefing session for the Implementation of the Smart Campus, Tender Number: PT2026/01. Due to unforeseen compliance challenges with our initially intended bidding entity, we hereby formally request approval to submit our bid using an alternative company,

Answer: Only suppliers that attended and registered in the session are allowed to participate in the tender process.

4. I attended the compulsory briefing this morning for proposal PT2026/01 and would like to request access to the transcript and meeting recording, if possible, please.

Answer: the transcript and meeting recording of the meeting are not shared with suppliers; they are kept for internal record purposes.

N.B. Please note that initial drawing (Annexure 19 and Annexure 20 Building Layout) has been removed from the website and updated. The new and correct drawings to be used for this project have been uploaded on the website. Please visit the website for uploading of the revised drawings.
