

Applications for semester 2 of 2018: Undergraduate qualifications

Since many qualifications are already oversubscribed for 2018, applications for the second semester of the 2018 academic year will only be accepted in certain qualifications.

The following is a **provisional list of qualifications** in which applications will be accepted. This list will be updated over the following days.

Please note that spaces for semester 2 are limited. There is, therefore, no guarantee that you will be offered a space even if the qualification appears in the list below and you meet all the necessary admission requirements.

College	Qualification code	Qualification
