

## Postgraduate Diplomas in Accounting Sciences and Applied Accounting Sciences

Subject to possible additional requirements, the following qualifications are deemed to be appropriate qualifications for admission to the Postgraduate Diplomas in Accounting Sciences and Applied Accounting Sciences. In instances where a non-listed qualification in the field of Accounting Sciences is presented for admission to this qualification, be it from a domestic or international provider of higher education, the application must be referred to the Director of the School of Applied Accountancy for consideration.

**Note:**

At present, there are no SAICA/ICAZ/ICAN-endorsed qualifications (based on a full review process) offered by Zimbabwean and Namibian HEIs. Bachelor degrees obtained from these HEIs therefore do not appear on this list. Such applicants should therefore first be measured against the requirements for the CTA Bridging Qualification (98230-CTA).
