

Postgraduate Diploma in Management Accounting

Subject to possible additional requirements, the following NQF level-7 qualifications are deemed to be appropriate qualifications for admission to the Postgraduate Diploma in Management Accounting. In instances where a non-listed qualification in the field of Accounting Sciences is presented for admission to this qualification, be it from a domestic or international provider of higher education, the application must be referred to the Director of the School of Accountancy for consideration.

The list below details the CIMA endorsed undergraduate qualifications, which can be obtained from South African Universities. **These graduates will qualify for direct access to the Unisa Postgraduate Diploma in Management Accounting (98205).**
