CALL FOR RESEARCH PRESENTATIONS

CAES Research and Innovation Day 2026

Date: 27 May 2026

Venue: Thamsanqa Auditorium, Science Campus

Time: 09:00 -14:00

The College of Agriculture and Environmental Sciences (CAES) invites researchers and innovators to showcase their work through engaging presentations at the **CAES Research and Innovation Day 2026**.

This platform aims to highlight cutting-edge research, innovative solutions, and impactful scholarship aligned with the College's Catalytic Niche Areas (CNAs).

Eligible submissions must align with one or more of the following CNAs:

- Marine Studies
- Student Support and Co-Curricular Activities
- Energy
- Fourth Industrial Revolution and Digitalisation
- Natural Sciences (Biotechnological Studies)
- Health Studies / Medicine

Submission Requirements:

Please submit the following:

- Presenter name and designation
- Department / School
- Presentation title
- 150-word summary
- Relevant Catalytic Niche Area (CNA)

Submission Deadline: 15 May 2026

Submit to: echabayw@unisa.ac.za
