CREATING OPPORTUNITY

FULBRIGHT FOREIGN STUDENT PROGRAM 2023 - 2024

Scholarships to work towards your Master's or PhD studies in the United States

The following opportunities are available:

- **Visiting Student Researcher (VSR):** VSRs conduct one year's research at a U.S. institution towards their South African PhD studies. Current National Research Foundation (NRF) funded students are encouraged to apply.
- **MA/PhD:** Post-graduate students may apply for scholarships towards Master's or Doctoral degrees. Scholarships are awarded for two years towards one degree – Master's or Doctoral (renewable each year).

Eligibility:

- Be a South African citizen or a permanent resident (minimum 5 years).
- For Non-Degree (Visiting Student Researcher) studies: Must be registered for a PhD with a South African university.
- Have a four-year Bachelor's degree, BTech degree or a three-year Bachelor's degree plus honors year when applying for Master's.
- Have a Master's degree when applying for a Doctoral degree.
