Internships

The City offers internships programmes to the youths of Johannesburg. An internship is on the job training or experiential learning provided to the youths by the City. Two groups of internship are provided, that is, under-graduate and graduate internship programmes.

Undergraduate internships is aimed at those students, mostly from FET Colleges, who need practical training before they could be awarded their diplomas. The students are expected to be studying towards a qualification that requires for them to undertake workplace experiential learning as a requirement to fulfil their Curriculum. The maximum duration for this learnership is 18 months.

Graduate internships are provided to the youths who have already graduated but cannot get jobs because of lack of experience – the City provides them with an 18 months internship to gain the required experience so that they can be employable in future. Currently the City has 435 interns throughout the City.

Interested students\youths should submit the following documents on the 6th Floor B-Block, Metro Centre:

- Work Integrated Plan (Logbook)
- Letter from the institution indicating areas in which intern must be exposed to
- CV
- Latest academic records
- Certified ID copy

Please note: Only upon success of your application will you be contacted.

Learnerships

Learnership is a Vocational Education and Training Programme that combines theory and practice, culminating in a qualification that is registered with the South African Qualification Authority (SAQA).

The Learnerships targets matriculants who do not have qualifications – the aim is to train them towards qualification so that they can be employable in future. Learnerships are advertised in newspapers when available.

Documents required for Learnerships are:

- Grade 12 Certificate
- Proof of Residence
- ID Copy
- Currently there are 211 learners throughout the City
