

Unisa Innovation Challenge Programme (IC)

Innovation unlimited!
CALL FOR APPLICATIONS

Let us make this world a better place

Closing date extension: 30 June 2021

The Innovation Challenge supports Unisa students by providing Seed Funding for the development of high quality innovative solutions addressing pressing societal challenges.

Do you have an innovative idea that can solve a societal challenge?

Do you have an idea that can address a COVID-19 specific problem?

If your answer is yes to any of the two questions, then the Innovation Challenge is for you.

Who is eligible to participate:

- ALL registered Unisa students in 2021.
