

INVITATION

# Masters' & Doctoral Students' Supervision and Monitoring Dashboard

CONNECT - SUPPORT - SUCCEED

COLLEGE OF GRADUATE STUDIES

## Launch: Masters' & Doctoral Students' Supervision and Monitoring Dashboard Project

**Join us for the launch of the CGS Masters' & Doctoral Students' Supervision and Monitoring Dashboard Project.**

This is a project of the College of Graduate Studies for quality assurance of postgraduate student engagements across all colleges. This dashboard is an online interactive M&D students' progress monitoring tool that will allow M&D students to interact with their supervisors, upload their research schedules (contract) and research activities and receive feedback on their research activities via the platform. You are invited to see how you, or your students can form part of this exciting new project, to empower postgraduate research at Unisa.

**DATE:** Thursday, 25 March 2021

**TIME:** 09:00 - 11:00

**TO ATTEND:** Join the launch on MS Teams 

**ENQUIRIES:** wolhuhs@unisa.ac.za
