Unisa Announces Release of 2025 Second Semester Exam Results

The University of South Africa (Unisa) is pleased to announce that all the final results for the 2025 second semester examinations, except for students with pending disciplinary cases, have been released.

The examinations covered 2 506 modules across all colleges. The results are now available on myUnisa.

This achievement underscores Unisa's commitment to operational excellence and its dedication to one of its core values – Responsive Student- centredness. The timely release of the results allows students to plan their academic paths effectively, apply for further studies, or enter the job market without unnecessary delays.

Unisa Principal and Vice-Chancellor, Professor Puleng LenkaBula expressed pride in the collective efforts of the academic and support staff. "This improved and consistent performance reflects the hard work and commitment of our academic and support staff. We understand and value the importance of the timely release of examination results; and remain focused on enhancing our students' experience."
