

Dear Students

We are about to commence with the October/ November 2020 Examinations. As you know that we will be conducting the examinations online. Many of you have participated in the May/June 2020 online examinations and gained valuable experiences. However, there are also some of you who will be engaging with the online examinations for the first time. We are aware that this can be an overwhelming task.

It is for this reason, that we will be conducting a **STUDENT WEBINAR** on *How to Prepare for the Online Examinations*. This student webinar will focus on the following:

- 1. What is the online examination platform?
- 2. How to approach the different examination formats?
- 3. How to Answer MCQ Assessments?
- 4. What to **NOT DO** in the upcoming examinations?

Date: 16 October 2020, Friday

Time: 9am-11am
