

# Welcome to myEXAMS

May/June 2022

## Preparing for a successful online examination

Unisa will be conducting online examinations using its new myExams platform. A comprehensive set of examination information has been prepared for you on this link: [Essential tips for online examinations \(unisa.ac.za\)](#).

To successfully take part in the examination activities, take note of the following:

### BASIC EXAMINATION INFORMATION

Ensure that you have:

- Received your May/June 2022 examination timetable and marked the *dates* and *times* applicable to you on [Examination timetable tool \(unisa.ac.za\)](#)
- Identified the proctoring tool(s) relevant to your module(s) [Proctoring tools](#).
- Read the [May June 2022 online examination rules.pdf \(unisa.ac.za\)](#) thoroughly to familiarise yourself with the Dos and Don'ts prior to your examination sitting.
- Tested your access to examinations question papers on <https://myexams.unisa.ac.za/portal/>.
- Accessed a reliable desktop/laptop/mobile with a stable internet connection and camera. Students should make use of their mobile browsers and not Unisa myModules app.

### EXAMINATIONS TRAINING SESSIONS

It is recommended that you attend the training webinars and blast sessions (troubleshooting sessions) as shown in the schedule on this link: [Download schedule](#).

### BE PREPARED

- Valid myUnisa login credentials. Refer to this link for guidance: [Access MyExams Portal](#).
- Be prepared for your online examinations against planned loadshedding schedules.
