

Directorate of Innovation, Technology Transfer & Commercialisation

UNISA INNOVATION CHALLENGE (IC)

Pre-Selection: Regional pitching sessions.

Bootcamp Ignite: Qualifying applicants will thereafter attend four days bootcamp sessions and thereafter submit an IC application.

Shortlisting: IC applications are evaluated by the Unisa Innovation Challenge Selection Committee. The committee will shortlist applications to go to the final round.

Final Pitch: Tigers' Lair, The Finalists will pitch their innovative ideas before a panel of experts from industry, academia, government and civil society.

Do you have an innovative idea that can solve a societal challenge?

If your answer is yes, then the Innovation Challenge is for you.

Who is eligible to participate:
ALL registered Unisa students in 2023.
