

If you were waiting for a sign, here it is.

What were you expecting? Lightning? A little too showy for us. We get our warm fuzzies by helping people become more valuable to the marketplace. That should get your attention.

If it does, and you'd like to help us make people more valuable, send us a paragraph or two telling us why you would be a great hire for us. Don't be boring. Send us your CV too. You must have a tertiary qualification, reliable transport and a valid licence, a passport and live within a 200km radius of Potchefstroom. Potch also has signs, if you're still feeling the need for one.
