

ACALIT POSTGRADUATE SCHEDULE 2025 (COLLEGE OF ECONOMICS & MANAGEMENT)

MASTERS & PHD SCHEDULE 2025

TOPICS	DATES	LINKS
Contrasting Quantitative Research & Qualitative Research Mixed Method Research Statement of Delimitation	24/04	
Hypothesis Testing Formulating the Null Hypothesis Selecting the Test Statistic	30/04	
Concept and their measurement Reliability & Validity	14/05	
Use of IT & AI in Research	21/05	
Population & Sampling Strategies	28/05	
Contrasts between Quantitative & Qualitative Research Q&A Research Methodology and Research Methods	11/06	
Research Methodology: Design, Procedures, Data type, Selection Procedures, Collection Procedures	18/06	
Data Collection Data Analysis and Features of academic writing and mastering the writing process	25/06	
Ethical considerations	09/07	
Data Collection Methods: Surveys; Interviews; Experiments; Observations; Tools: Instruments used; Questionnaire; Recording Devices	16/07	
Data Analysis Strategies & Data Analysis Tools	23/07	
Trustworthiness, Validity & Reliability of Measurements	30/07	
Referencing Plagiarism	13/08	
Validity of Conclusions Internal Validity & External Validity	20/08	
Features of Academic Writing & Research Writing process: <ul style="list-style-type: none"> • Key Research Findings • Broader Implications • Main Research contributions • Future Directions 	27/08	
Writing up Quantitative, Qualitative & Mixed Methods Writing Ethnography	10/09	
Integrating sources into Discussion	17/09	
Abstract: Research Question; Methods; Results & Contributions Publishing M&D work	01/10	
Revision, editing/proofreading	08/10
