

# Basic Skills in Microsoft 365 for Digital Learners

## Gauteng

Dear Student

We are excited to invite you to a workshop series on Microsoft 365.

By gaining a deeper understanding of Microsoft 365 productivity apps, you will be able to excel in your studies, and you can showcase your skills and knowledge on your CV, making you stand out to potential employers. Microsoft 365 apps are widely used in online learning, and gaining proficiency in them can assist you in becoming a successful online learner and open doors to new opportunities.

The workshop series will take place over **5 days**, **face-to-face** and **online**.

### What you will learn
