ACADEMIC DEVELOPMENT OPEN VIRTUAL HUB (ADOVH)

Basic Skills in Microsoft 365 for Digital Learners

ORIENTATION

We are excited to invite you to a workshop series on Microsoft 365.

By gaining a deeper understanding of Microsoft 365 productivity apps, you will be able to excel in your studies, and you can showcase your skills and knowledge on your CV, making you stand out to potential employers. Microsoft 365 apps are widely used in online learning, and gaining proficiency in them can assist you in becoming a successful online learner and open doors to new opportunities.

[Click here for more information on the learning path](#)

Join us for an orientation session online for an introduction to the workshop series and for information on how to enrol to attend the workshops.

Date: 25 February 2023

Time: 09H00
