

### CGS Indigenisation of Post Graduate Scholarship Webinar Series #2

#### “Methodological and Paradigm relevance”

Indigenisation of the Post Graduate Scholarship Series is a new project that is coordinated by SIRGS in CGS. It is aimed at promoting transformation in postgraduate scholarship. The second part of this series will address the Methodological and Paradigm relevance on the Indigenisation of Post Graduate Scholarship Series. This is a build-up from the first series which addressed the ontological and epistemological relevancy.

Prof Mishack Gumbo is a Master's and Doctoral Programme Coordinator in the College of Education. His research interests are Technology teachers' professional development and pedagogical content knowledge, indigenisation/Africanisation/decolonisation of the curriculum, distance education and e-learning, and postgraduate student support. He has published numerous peer-reviewed articles, co-edited scholarly and resource books, contributed book chapters and conference papers. Among his recent publications is his edited book titled Decolonization of Technology Education: African indigenous perspectives.
