CGS Ethics Colloquium

"Ethical and methodological pitfalls in correctional services research"

The colloquium is aimed at addressing the ethical and methodological flaws and challenges that arise when conducting correctional services research. Axiological factors as well as ethical clearance process and methodological incongruences will be discussed.

The outcomes will be:

- Understanding of strategies to fast-track ethical clearance processes
- Provision of Evidence based practices

Keynote Speakers:

Mr Mbongiseni Mdakane & Mr Fana Simelane Psychology Department College of Human Sciences (CHS) Unisa

DATE: Tuesday, 8 June 2021

TIME: 09:00 - 12:00
