Are you ready to be inspired, to speak out, and to connect with the icons who shaped the spirit of youth activism in South Africa?

Join us at **Freedom Park** for a powerful intergenerational dialogue titled “**Then and Now**” — where members of the legendary **Sarafina!** cast will be in conversation with today’s youth. We’ll explore how young people have always been—and continue to be—at the heart of change, from 1976 to *#FeesMustFall and beyond*.
