

Mock Interview Programme Invitation

Reclaiming Africa's Intellectual Futures

The Unisa Directorate: Counselling and Career Development (DCCD) invites **FINAL YEAR students from the Colleges of Accounting Sciences and Economic and Management Sciences** to participate in the mock interview programme, which will allow you to practice and refine your interview skills. Participating in this mock interview programme will not only help you prepare for future job interviews but also give you a better understanding of what employers are looking for in a candidate.

What you have to do

Register by 25 May 2023 for the mock interview programme online. Spaces are limited, so we encourage you to register as soon as possible. Prepare for the interview as you would for a real interview. **The interviews will take place on the Unisa Sunnyside campus on 8 June 2023.**

What we will do

We will inform you about the date and time for your mock interview.

What will happen during the mock interview?

During the mock interview (45 minutes), you will be asked a variety of questions commonly asked in job interviews, and will receive feedback on your answers and overall performance.
