EXAMINATION TIMETABLE

C

The timetable you received when you registered contains the preliminary dates for all examinations. These preliminary dates are also on myUnisa. Unisa will only change these dates if it's absolutely unavoidable. Once dates have been finalised, an official timetable will be made available approximately one month before the commencement of the examination period. It will also be uploaded to myUnisa.

Your final timetable will contain

- a list of modules for which you have gained admission to the examination
- your final examination dates and times
- a list of the modules for which you have not gained admission to the examination
- examination venue details (not contained in your provisional timetable)
- general instructions

Please contact the university immediately if you have not received your final examination timetable two weeks prior to the commencement of the examination period. No additional examination opportunity will be granted where students claim not to have received the examination timetable in time or not at all. Unisa's official examination periods are

- January/February
- May/June
- September/October/November

Students in foreign countries must ensure that the examination dates do not clash with any public holidays in their particular country. If the student is unable to write/sit for an examination due to a public/religious holiday the student needs to apply for the examination to be deferred, if he or she qualifies.
