Supplementary examinations

Most modules provide for two opportunities to write the examination – either a supplementary or aegrotat/special examination. Should your module only provide for one examination opportunity, you will not qualify for a supplementary or aegrotat/special examination. Should a supplementary examination be granted and you are unable to write the examination, you will not be able to apply for an aegrotat/special examination.

Supplementary examinations may be granted provided you received a sub-minimum of 40% in the examination.

You cannot apply for a supplementary examination. Some modules do not make provision for supplementary examinations – this information will be included in your Tutorial Letters 101. If you qualify for a supplementary examination (you must receive 40% in your examination to qualify for a supplementary exam), you will be notified when you receive your results.

Your year mark is taken into consideration when calculating the final result. Your year mark is only taken into account if you meet the subminimum. You need to get 40% or more in the examination for the year mark to be taken into consideration. If you get less, the final mark only consists of the mark you obtained in the examination. If you owe tuition fees or library material, your results will be withheld and you will not receive notification of your supplementary examination. Supplementary examinations missed as a result of this will not be rescheduled, nor will you be granted any further examination opportunities.

Purchase a copy of your examination answer books

You may apply to purchase a copy of your examination answer book. The cost is R50,00 per module.

Only photocopies of the answer book will be made available. These are sent via registered mail or e-mail once the application has been approved. This takes approximately 14 days.

Question papers and model answers/memoranda and mark-reading sheets are not included. To purchase a copy of your examination answer book, you must apply in writing using the prescribed application form. Examination answer books are not available for modules for which assessment is done by means of online timed tests, oral exams or practicals.

Discuss your performance with your lecturer

Have a conversation with your lecturer to discuss writing the same module again (either as a re-registration or supplementary examination).
