

Executive Development Programme

2019

1 ENHANCING organisational performance

EXECUTIVE DEVELOPMENT PROGRAMME

Given the turbulent, dynamic and complex nature of the postmodern world, current business theory has difficulty in retaining its validity in the short to medium term. The Executive Development Programme (EDP) enables and empowers executives to effectively lead and manage their organisations in a corporate or public sector setting. It delivers a unique combination of global management insight, leadership acumen and strategic thinking skills.

Tuition fees: R 83 980.80

Executive Development Programme

WHO SHOULD ATTEND

Participants in the EDP must be in possession of a postgraduate NQF Level 7 qualification and have at least ten years' managerial experience. Alternatively a portfolio of evidence of prior learning will be considered, based on Unisa's policy requirements for short learning programmes.

ON COMPLETION

On successful completion of this 12 month programme, you should be able to overcome leadership challenges by developing and directing innovative organisational strategies in a complex, shifting environment. Participants in the programme will also be able to leverage internal and external relationships for their benefit.

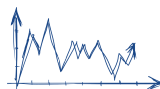

Corporate Strategy

Strategic management in the public sector

Strategic financial management

Public sector governance

WHAT ARE THE BENEFITS

The EDP will contribute towards improved understanding, increased knowledge and learning and more effective performance for both individuals and their organisations.

APPLICATION & REGISTRATION

The application and registration process for the EDP takes place from September 2018 until January 2019. Attendance at the EDP study school is compulsory and the dates thereof will be provided. Please note the Application Fee for 2019 is R160 and is in addition to the tuition fees.

MODULES

Strategic leadership and organisational change

Managing innovation

Managing organisational performance

The executive project
