

Social enterprise leadership 2019

15 EFFECTING social change

SOCIAL ENTERPRISE LEADERSHIP (SEL)

The purpose of this programme is to provide participants, who would typically come from a social entrepreneurial and social enterprise background, with the essential knowledge, insight and skills to be innovative and to lead and build sustainable business models around their social enterprises within the developmental paradigm. It is aimed at equipping social entrepreneurs and social enterprise leaders to manage, lead and sustain their enterprises and effect social change in a scalable manner.

WHO SHOULD ATTEND

- 💡 Social Entrepreneurs who would like to improve the management of their social enterprises.
- 💡 Working individuals who are in charge of a social enterprise.
- 💡 Corporate Social Responsibility professionals who need to work with social enterprises.
- 💡 Government officials working in the social enterprise development and social entrepreneurship field.
- 💡 University lecturers involved in business management and/or enterprise development who would like to know more about social entrepreneurship.

WHAT ARE THE BENEFITS

The Advanced Course in Social Enterprise Leadership will provide social entrepreneur, social enterprise leaders and other individuals interested in the field of social enterprise the knowledge and skills to guide social enterprises to manage their organisations in a sustainable manner in order to become more innovative and profitable.

WHEN CAN YOU APPLY AND REGISTER?

The application and registration process for the SEL takes place from September 2018 until January 2019. Attendance at the SEL study school is compulsory and the dates thereof will be provided. Please note the Application Fee for 2019 is R160 and is in addition to the tuition fees.
